#### ARMS SALES NOTIFICATION

Mr. MENENDEZ. Madam President, section 36(b) of the Arms Export Control Act requires that Congress receive prior notification of certain proposed arms sales as defined by that statute. Upon such notification, the Congress has 30 calendar days during which the sale may be reviewed. The provision stipulates that, in the Senate, the notification of proposed sales shall be sent to the chairman of the Senate Foreign Relations Committee.

In keeping with the committee's intention to see that relevant information is available to the full Senate, I ask unanimous consent to have printed in the RECORD the notifications which have been received. If the cover letter references a classified annex, then such annex is available to all Senators in the office of the Foreign Relations Committee, room SD-423.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

### CELEBRATING THE HERITAGE OF ROMANI AMERICANS

Mr. CARDIN. Madam President, I rise today to speak about S. Res. 124 that Senator WICKER and I introduced last year celebrating the heritage of Romani Americans. I applaud the passage of this resolution which was voted on favorably in the Senate Foreign Relations Committee today and will now be moved to the Senate floor for consideration.

This resolution is significant as it expresses remembrance for the genocide of the Roma by the Nazis, commends the work of the U.S. Holocaust Memorial Museum in promoting this remembrance and awareness, and further expresses support for the annual International Roma Day to honor the history, culture, and heritage of the Romani people in the United States. Roma have been part of every single wave of European migration to the United States from the Colonial period to today, and there are now an estimated 1 million Americans who have some Romani ancestry. S. Res. 124 is the first resolution considered in Congress to acknowledge Romani Americans and to celebrate their heritage and history. Its passage will be a milestone for this community.

When Senator WICKER and I introduced S. Res. 124, we observed that Romani people enrich the fabric of our Nation and strengthen the transatlantic bond. The resolution mentions two dates of particular importance on both sides of the Atlantic. First, April 8 was the date of the first World Romani Congress, held near London. That date is therefore celebrated as the moment when transatlantic efforts to improve the situation of the Roma entered a new, more visible and more productive stage.

But more than that, it has become time for policymakers to focus on continued efforts to improve the situation of Roma. Ugly discrimination against the Roma persists and needs to be addressed. The European Parliament, for example, dedicates a week in April to review and advance Romani inclusion initiatives. Governments across Europe and the OSCE also use this as a time to focus on policy and the future. This resolution welcomes and encourages the Department of State's participation in such events and activities.

The second date specifically mentioned in the resolution is the night of August 2-3, 1944, when the Romani camp at Auschwitz was liquidated and more than 4,200 Romani men, women, and children were killed in a single night.

This day has been formally recognized as a day of commemoration by
